A View From Within

Victoria Composite is more than just a regular high school. The people that attend Vic Comp are not just your average run-of-the-mill students, they are much more. There is nothing or no one too different or unusual at this school. Conformity takes a back seat among all of the Dance shows, Art exhibits, and student exchanges. The opportunity to pursue any interest or career is available at Vic, from air-brushing to accounting, we have it all. The students are made up of every race and peer-group known. There is no "IN CROWD", and all the different types of people co-exist in harmony. So I hope you have a good time looking at Vic, from "A VIEW FROM WITHIN".

Principal's Message

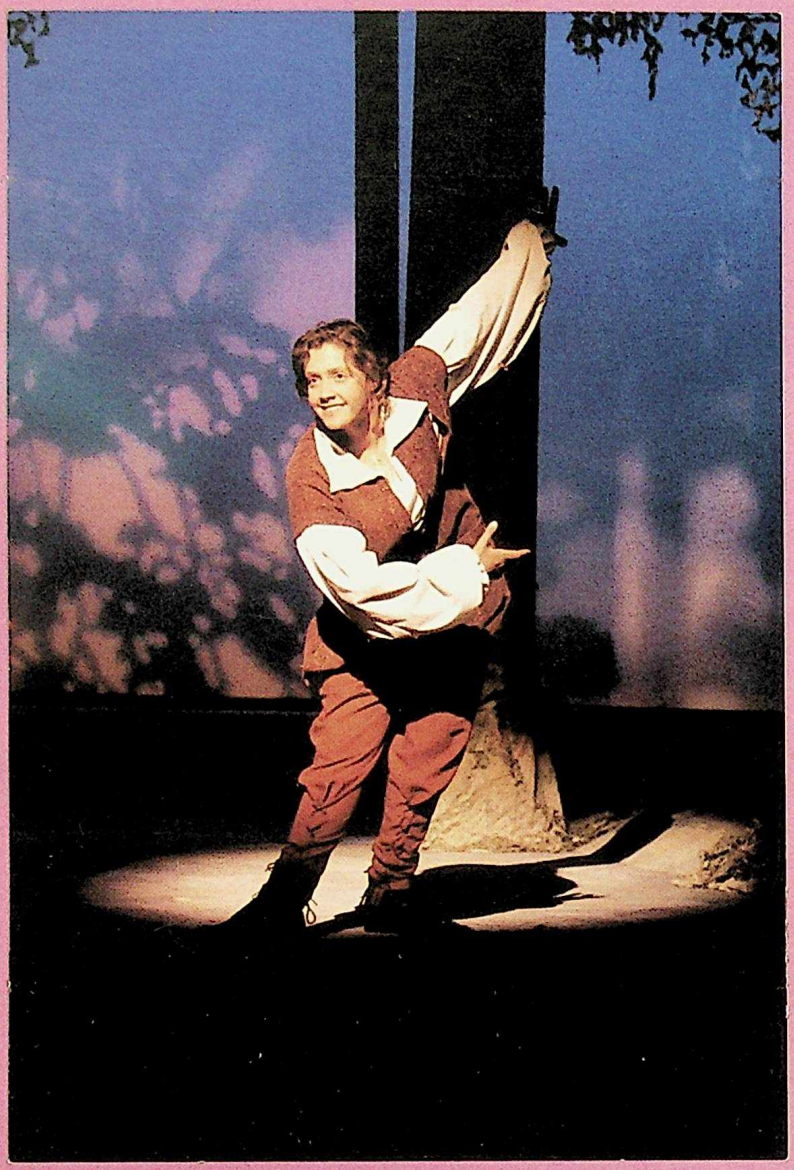
My hope is that this year Victoria Composite High School has been a positive one for you. This yearbook then will act as a permanent memory bank which will serve as a reminder of good times; times of learning, times of forming friendships and times of emerging as you move toward becoming the unique individual you are.

Let me thank you for the fond memories that you have provided for us the teachers, administrators, and staff. This yearbook will also act as a reminder to us, a reminder of a very special and talented student body. You have made VIC a very special school.

There is an old saying that goes something like this: "I don't care how much you know until I know how much you care." I see the 1989-90 student body as a knowing, caring group and I'm thankful for the opportunity to be associated with you.

To those students who are graduating, I wish you much success in your future endeavors. To the rest, please have a pleasant and productive summer.

Sincerely,



BOTTOM'S DREAM

Vic Cheer Team off to a good start

Team hopeful of another successful year following two early competitions

Vic's Cheer Team, pictured above at the recent Pep Rally, has plenty to cheer about following an impressive debut.

After a year of impressive accomplishments, the Victoria Composite Cheer Team have shown no signs of letting up following a commendable debut at Clarke Stadium on September 23. The team claimed first prize at the Wildcat Sideline Cheerleading Contest and received a trophy and $100 for their efforts.

The victory marked the beginning of what promises to be another successful year for the team.

During the course of the summer the team was the recipient of the Award of Excellence for its stunting ability in Spokane, Washington. The team also finished the competition ranked an impressive third. Fifty-three American teams competed at the camp.

For the sixth time in 10 years the Victoria Composite High School cheerleading team has captured its own invitational competition.

The host team placed first in a field of eight teams from in and around Edmonton at the competition, held during the recent Vic Redmen Basketball Tournament.

Bev Facey Composite of Sherwood Park and Queen Elizabeth Composite of Edmonton finished second and third respectively at the event. Queen Elizabeth had won the event the last two years running (1987 and 1988 — no competition in 1989).

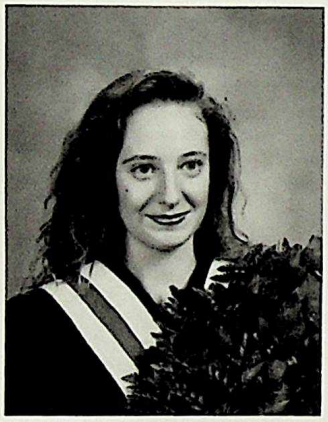
The time has come to chase our dreams and say goodbye to all my friends. You guys were always there when I needed you. Thank-you. Mike, Sharon, Candace, Jen, Troy, Andi and the rest of you guys. I'll always remember you. Thanks for the great three years at Vic. Y'er pal Rosie the injured person.

Sousan Asfour

This place is going to keep alot of memories in me. The best thing that happened to me is my closest and dearest friends. Love you guys! Nawal, Dawn, Suzie and also Waila. I'm going to miss alot of my favourite teachers who made my years the best. Mr. McNally, Mr. K. Carson, Mr. Coulson, and Mr. Hryciuk; I wish you all happiness and success, in years to come.



Jennifer Ast

Hounaida Ayed

It has been a fantastic 3 years for me. The previous one here has changed my outlook on many things. Some for the better, others, not as much. As for the people around me, they have changed just as much. I am very happy to have shared the time with all of you. With some of you the time was worth it. Thanks MOM and DAD for being there for me.

I came, I saw, and then I became a pumpkin (for Halloween) ((BAD MISTAKE))! Goodbye to all the friends who helped me get through the year!! And thanks to my girlfriend. And thanks to Tara for making this all legible. Later!! And one last statement . . . I'll be back!!

I had a really cool year, thanks to my best friend, EVA, and others, such as Mary-Jane, Leigh, Evan, Anne and a few more. "GET OUTTA HERE!" or as Balky would say, "GET OUT OF THE CITY" (with a Meposian accent) I can't stand snobs, funkers, and people who get 90's without even studying. Even though I didn't get Mr. R. If it doesn't move merrily along on its own, try convincing it to do so by gently prodding it with sharply pointed object. If it still fails to move, it is quite possible that it requires a fire built under it, or perhaps being dragged behind a quickly paced vehicle would do. For heavens sake though, KEEP IT MOVING!

This bridge will only take
you half way there
To those mysterious lands
you long to see.

Arab fairs
And moonlit woods where
unicorns run free.
So come and walk . . . with me

The Twisting trails and

The last few steps you'll have to
take alone.
